Discover a World Beyond Just Words

Let's Play!

Young children learn through play and interaction with others. Mison Kim's colorful and engaging Dooleyglot Bilingual Board Book **TOYS** provides an opportunity to interact, in fresh new ways, every time it is shared with a child. Open **TOYS** and you're off exploring, finding colors, shapes, different views. You're exercising the brain in ways that go far beyond trying to memorize things. You're using your child's innate ability to perceive, to help strengthen creative thinking. **And you're having fun!**
